Apple®
iPad 2

Touch Screen Gestures

Tap the screen to open apps, choose menu items, and more.

Double-tap to zoom or make selections.

Touch and hold to access hidden functions like copy / paste.

Hold and drag to highlight text and move objects.

Swipe across the screen to scroll through text or navigate pages.

Pinch two fingers apart to zoom in or open a folder. Pinch together to zoom out or close.

Rotate two fingers in a circular gesture to turn photos.

Powering On and Off

Press *and hold* the Sleep / Wake button to turn the iPad on. When the iPad is on, press and hold the Sleep / Wake button to turn it off.

Sleep Mode

Press the Sleep / Wake button to put the iPad to sleep. Press the Sleep / Wake button again to turn it on.

Swipe from left to right to confirm.

Recharging and Connecting

Use the provided cable to attach the iPad's docking connector to a power outlet or computer USB port. Interacting with a computer requires iTunes software, which is freely available at apple.com/itunes.
